**Parnell Welcomes Dr. Chelsie Estey as Vice President of U.S. Pet Care**

**OVERLAND PARK, Kan. (Mar. 7, 2024)** – Parnell is excited to announce the appointment of Dr. Chelsie Estey MSc, DVM, DACVIM (Neurology) as Vice President of U.S. Pet Care. Dr. Estey brings a wealth of experience and expertise to her new role, where she will oversee and drive the growth in our pet care animal market segment as it expands into prescription products.

Dr. Estey's impressive background includes a Bachelor of Science degree from the University of New Brunswick and a Master of Science degree from the University of Ottawa. She obtained her Doctor of Veterinary Medicine degree and then completed a small animal rotating internship at Georgia Veterinary Specialists. Dr. Estey furthered her training with a Neurology and Neurosurgery residency at Cornell University.

Prior to joining Parnell, Dr. Estey worked as a veterinary neurologist in private practice. She then moved on to serve in various roles at Elanco, starting as a Specialty Consulting Veterinarian and progressing to Senior Director of the Specialty Consulting Veterinarians. In 2022, she assumed the role of Senior Director of U.S. Pet Health Specialty Sales and Consulting Veterinarians.

Dr. Estey is also a published author with numerous articles in scientific journals and several book chapters to her credit.
